Interiors that nourish your soul & revitalize your life

Millions of Americans move each year, and it can be one of the most disruptive times of life.

OUR PROMISE

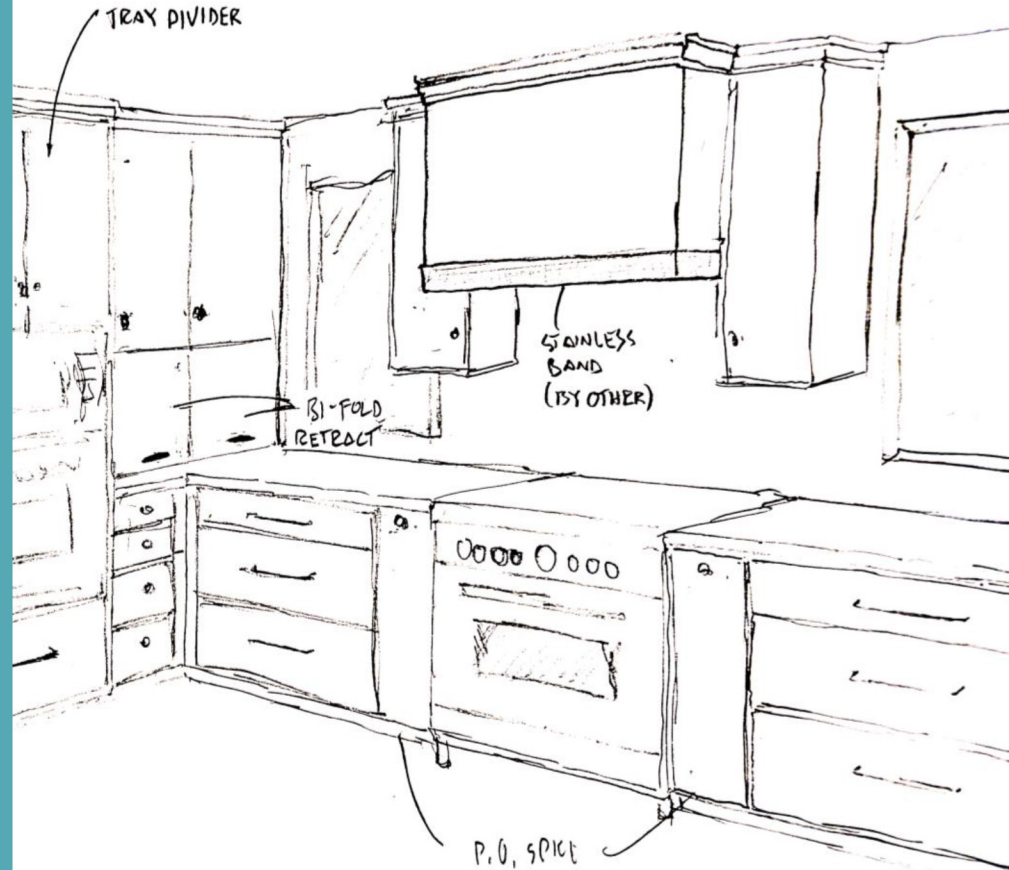

Our goal is to make sure your move brings all the excitement and joy of a big change with none of the stress.

OUR SERVICES

We offer three levels of concierge moving services to fit your needs:

- 1 | READY-TO-SELL
- 2 | LIVE-IN READY
- 3 | CUSTOM INTERIOR DESIGN

1

READY-TO-SELL

We get your current home in great shape and you ready to sell. Making small repairs, painting and staging can go a long way to get the best return on your investment and a fast sale.

epic moves

READY TO SELL *includes:*

Hire and manage:

- Moving company
- Cleaning crew
- Carpet cleaning
- Window washing
- Exterior power washing
- Handyman and painting crew
- Closets and cabinet organizer

As well as:

- Tagging furniture for staging, storage, selling, and donating
- Packing and unpacking
- Furniture rental
- Staging your home for resale

LIVE-IN-READY

Epic will help move you into your new home with ease. From furniture layout, small repairs and cleaning to painting or installing art, we're committed to making the transition into your new home an enjoyable one.

epic moves

- Ordering furniture and managing deliveries

A large, stylized white number '3' is positioned on the left side of the image, set against a teal semi-transparent background that covers the entire scene. The background image shows a dining room with a table, chairs, a mirror, and framed pictures on a wall with floral wallpaper.

CUSTOM INTERIOR DESIGN

From small to large interior design goals, we offer custom design services to get your existing home ready for a successful resale and/or your new home designed to fit your style.

WE BRING

A deep understanding of interior design and lifestyle needs from the emotional side of change to the everyday flow of people through a space

Experts who are intimately connected to the design process from beginning to end and highly responsive

A close partnership through empathetic listening and transparent communication

THE RESULT

A stress free moving experience from beginning to end

Cost-effective, design solutions that increase your home's value and decrease the time it takes to sell

An elevated new space that fits your style, on-time and on-budget

“They go above and beyond. They really listen to what’s important and what matters to you.”
